

Business Credit Card Disclosure

This disclosure governs:

- Business Platinum Mastercard
- Everyday Points Business Mastercard

If you choose Citizens Bank Everyday Points Business Mastercard, you must choose either Business-Earn or Cardholder-Earn rewards**:

- Cardholder Earn - rewards points accrue to the individual cardholder; cardholders can redeem their individual points as desired. To earn the 25,000 bonus points under the Cardholder Earn option, each individual card under the master account that reaches the \$5,000 purchase threshold is eligible for bonus points; these bonus points will be posted to the individual account(s). The spend requirement will not be based on consolidated spend on all accounts and each individual card under the account that qualifies can earn the 25,000 bonus points.
- Business Earn - rewards points are aggregated at the company level under a master account; the business owner on the master account can redeem points by using the company account number. The purchase threshold for the 25,000 bonus points upon \$5,000 spend will be met by the aggregate spend of all cards under the company, and the bonus points will be applied to the business account.
- 25,000 bonus points will be posted to your Everyday Points Business Mastercard statement within 2 billing cycles of your meeting the \$5,000 purchase threshold, as detailed above. Purchases totaling a minimum of \$5,000 must occur within 90 days of the master account opening in order to be eligible for bonus points.
- For Medical, Legal and Accounting Professionals, you will receive our Everyday Points Business Mastercard with 50,000 bonus points, instead of 25,000, when you spend \$5,000 in the first 90 days from account opening. Citizens Bank reserves the right to reduce your bonus points to 25,000 if your business is not in the SIC classification of: Medical, Law, Accounting.

** If no choice is made, the account will be set up as Business-Earn.

You are solely responsible for any taxes that may be owed as a result of rewards earned and/or redeemed under this card. Please consult your tax advisor. Citizens Bank, N.A. does not provide tax advice.

The Business Owner on the account will be the primary contact on the account and will receive a Business Credit Card, and will be set up as the redeemer of points earned in any case where the rewards card is selected with Business-Earn rewards. Business Credit Cards will also be sent to any employees listed on the application.
